Toddle Waddle

On Monday 15th October Starting Blocks arranged a Toddle Waddle to raise money for the Meningitis Trust.

Six mums and seven toddlers took part in the walk which started at Rufford Abbey, they walked around the lake and back to the Abbey.

A local mini bus firm Allwayz Travel provided them with a 15 seated mini bus for FREE! So a big thank you to them.

The Toddle Waddle raised £123.50 for the Meningitis Trust!

Well Done Starting Blocks!
